

MOST™ Question Set
for Demo Organization

based on RSPMI Medicaid Periodic Review from Arkansas RSPMI Medicaid (May 2010)

Comments: Included / Location: All / Provider: All

Standard	Question	Dec 2009	Jan 2010	Feb 2010	Mar 2010	Apr 2010	May 2010	Jun 2010	Jul 2010	Aug 2010	Totals
Custom Question	Are medications properly managed?	100% 1 Case	100% 2 Cases	100% 1 Case	25% 4 Cases	100% 1 Case	100% 2 Cases	100% 2 Cases			77% 13 Cases
Intake 217.000.01 1	Does the intake evaluation determine if treatment in the RSPMI program would be appropriate based on evaluation of the beneficiary's mental condition and based on diagnosis(es)? NOTE: Look for strong documentation around functional impairments as they relate to the diagnosis(es).	100% 1 Case	100% 2 Cases	100% 1 Case	100% 4 Cases	100% 1 Case	100% 1 Case	50% 2 Cases			92% 12 Cases
Intake 217.000.02 2	Does the intake evaluation include clinical data sufficient to support the DSM-IV-TR criteria for the diagnosis(es)? NOTE: The narrative in the Intake Evaluation (Diagnostic Assessment) should include every factor necessary to support the diagnosis per DSM-IV-TR criteria (# of symptoms and time frames). "As Evidenced by..." is a good way to begin the narrative for DSM criteria. <i>Comment from 56564 Parker-Demo Audit on 03/15/2010: Not met The documentation does not contain the DSM criteria for the diagnoses given. Symptoms and time frames for such must be documented.</i>	100% 1 Case	100% 2 Cases	100% 1 Case	50% 4 Cases	100% 1 Case	100% 1 Case	100% 1 Case			82% 11 Cases
Intake 217.000.03 3	Is the intake evaluation made a part of the record?	100% 1 Case	100% 2 Cases	0% 1 Case	100% 4 Cases	100% 1 Case	50% 2 Cases	100% 2 Cases			85% 13 Cases
Intake 217.000.04 4	Is the intake evaluation performed prior to providing treatment services for each beneficiary being considered for entry into a Rehabilitative Services for Persons with Mental Illness (RSPMI) program?	100% 1 Case	100% 2 Cases	100% 1 Case	100% 4 Cases		100% 1 Case	100% 2 Cases			100% 11 Cases
Intake 217.000.05 5	Is the intake evaluation documented in the medical record within 14 calendar days of the person entering continued care (first billable service)?		100% 2 Cases	0% 1 Case	100% 4 Cases	100% 1 Case	100% 2 Cases	100% 2 Cases			92% 12 Cases
Intake 217.000.06 6	Does the intake evaluation include a treatment certification indicated by signatures on the treatment plan: a qualified Mental Health Professional and/or a Medical Doctor (MD) at a minimum? NOTES: Medical necessity is not established without appropriate signatures. An MD does not have to co-sign the Diagnostic Assessment.	0% 1 Case	100% 1 Case	0% 1 Case	100% 4 Cases	100% 1 Case	100% 2 Cases	100% 2 Cases			83% 12 Cases
Intake 217.000.07 7	Is the intake evaluation conducted by a Mental Health Professional (MHP) qualified by licensure and experience in the diagnosis and treatment of mental illness?	100% 1 Case	50% 2 Cases	0% 1 Case	100% 4 Cases	100% 1 Case	100% 2 Cases	100% 2 Cases			85% 13 Cases
Plan 218.000.01 1	Does the Plan of Care meet medical necessity: is it designed to treat, ameliorate, diminish or stabilize, or maintain remission of symptoms of mental illness that threaten life, and/or cause pain or suffering, resulting in diminished or impaired functional capacity? NOTE: Medicaid wants the client to receive the necessary services (no more or no less). The number of services	100% 1 Case	100% 2 Cases	100% 1 Case	50% 2 Cases	100% 1 Case	50% 2 Cases	100% 2 Cases			82% 11 Cases

MOST™ Question Set for Demo Organization

based on RSPMI Medicaid Periodic Review from Arkansas RSPMI Medicaid (May 2010)

Comments: Included / Location: All / Provider: All

Standard	Question	Dec 2009	Jan 2010	Feb 2010	Mar 2010	Apr 2010	May 2010	Jun 2010	Jul 2010	Aug 2010	Totals
	ordered should be consistent clinically with the diagnosis(es).	1 Case	2 Cases	1 Case	4 Cases	1 Case	2 Cases	2 Cases			13 Cases
Plan 218.000.02 2	Does the Plan of Care describe the treatment regimen-the specific medical and remedial services, therapies, and activities that will be used to meet the treatment objectives? NOTE: Ordered interventions should be described specifically, i.e. , what they will look like and how they will help the client make behavioral changes.	100% 1 Case	100% 2 Cases	100% 1 Case	50% 4 Cases	0% 1 Case	50% 2 Cases	100% 2 Cases			69% 13 Cases
	<i>Comment from 56564 Parker-Demo Audit on 03/15/2010: Not met. The ordered interventions should be described in detail. What will CBT look like and how will it help the client?</i>										
Plan 218.000.03 3	Is the Plan of Care individualized: Are goals and objectives based on problems identified in the intake assessment or in subsequent assessments during the treatment process? NOTE: See 218.001 for U21 clients: their goals and objectives must be based on the beneficiary's/guardian's "articulation.	100% 1 Case	50% 2 Cases	100% 1 Case	100% 3 Cases		100% 1 Case	100% 2 Cases			90% 10 Cases
Plan 218.000.04 4	Does the Plan of Care have a projected schedule for service delivery-frequency and duration of each type of planned therapeutic session or encounter? NOTE: Frequencies must be specific or be ranged such as 2-4 times per month.	100% 1 Case	50% 2 Cases		75% 4 Cases	100% 1 Case	100% 2 Cases	100% 2 Cases			83% 12 Cases
	<i>Comment from 56564 Parker-Demo Audit on 03/15/2010: Not met. "As needed" (for psych consultation) cannot be used as a frequency. Please be specific or range the frequencies.</i>										
Plan 218.000.05 5	Does the Plan of Care include the type of personnel that will be providing the services?		50% 2 Cases	100% 1 Case	50% 4 Cases		100% 2 Cases	100% 2 Cases			73% 11 Cases
Plan 218.000.06 6	Does the Plan of Care have a projected schedule for completing reevaluations of the beneficiary's condition and updating the plan of care/treatment?		50% 2 Cases	100% 1 Case	50% 4 Cases	100% 1 Case	100% 2 Cases	100% 2 Cases			75% 12 Cases
Plan 218.000.07 7	Does the Plan of Care order the Medicaid screening? NOTE: MD services must be made part of the Plan of Care. SED/SMI clients must see the MD within 45 days of first service; and non-SED/SMI clients must see the MD if still in service after 6 months.		50% 2 Cases	100% 1 Case	67% 3 Cases	100% 1 Case	50% 2 Cases	100% 2 Cases			73% 11 Cases
Plan 218.000.08 8	Is the Plan of Care completed by a Mental Health Professional (MHP) within 14 days of the beneficiary's entering care (first billable service)? NOTE: A Diagnostic Assessment is not required if the only service a client received was Crisis Intervention.		0% 2 Cases	0% 1 Case	75% 4 Cases	100% 1 Case	100% 2 Cases	100% 2 Cases			67% 12 Cases
Plan 218.000.09 9	Is the Plan of Care approved by a psychiatrist or a physician within 14 calendar days of the beneficiary's entering care (first billable service)?		50% 2 Cases	0% 1 Case	100% 3 Cases	100% 1 Case	100% 2 Cases	100% 2 Cases			82% 11 Cases

MOST™ Question Set
for Demo Organization

based on RSPMI Medicaid Periodic Review from Arkansas RSPMI Medicaid (May 2010)

Comments: Included / Location: All / Provider: All

Standard	Question	Dec 2009	Jan 2010	Feb 2010	Mar 2010	Apr 2010	May 2010	Jun 2010	Jul 2010	Aug 2010	Totals
		1 Case	2 Cases	1 Case	4 Cases	1 Case	2 Cases	2 Cases			13 Cases
Review 218.100.01 1	Does the Periodic Plan of Care document progress toward the goals and objectives? NOTE: Progress, or the lack of progress must be described in detail.	100%	100%	100%	67%	0%	100%	100%			83%
		1 Case	2 Cases	1 Case	3 Cases	1 Case	2 Cases	2 Cases			12 Cases
	<i>Comment from 56564 Parker-Demo Audit on 03/15/2010: Not Met. Although some progress or the lack of progress is described, more detail is necessary.</i>										
Review 218.100.02 2	Does the Periodic Plan of Care document the appropriateness of the rehabilitative services provided? NOTE: If the client is making progress, the services are appropriate. If no progress is being made, documentation must reflect why not and what can be done differently to facilitate change.	100%	50%	100%	50%	100%	100%	100%			77%
		1 Case	2 Cases	1 Case	4 Cases	1 Case	2 Cases	2 Cases			13 Cases
Review 218.100.03 3	Does the Periodic Plan of Care Review document the need for continued participation in the Rehabilitation Services of Persons with Mental Illness (RSPMI) program? NOTE: Continuing functional impairments must be in the documentation to justify continued services.	100%	100%	100%	100%	0%	100%	100%			92%
		1 Case	2 Cases	1 Case	4 Cases	1 Case	2 Cases	2 Cases			13 Cases
Review 218.100.04 4	Is the Periodic Plan of Care Review completed by the MHP at a minimum of every 90 calendar days?	100%	100%	100%	100%	100%	100%	100%			100%
		1 Case	2 Cases	1 Case	4 Cases	1 Case	1 Case	2 Cases			12 Cases
Review 218.100.05 5	Is the Periodic Plan of Care Review approved by a psychiatrist or physician within 14 days of completion by the clinician.	100%	100%	100%	75%	100%	100%	100%			92%
		1 Case	2 Cases	1 Case	4 Cases	1 Case	2 Cases	2 Cases			13 Cases
	<i>Comment from 56564 Parker-Demo Audit on 03/15/2010: Not Met. The psych consult of 02/12/10 changed the DX and an earlier review should have been written to reflect this change.</i>										
Review 218.100.06 6	For 21 and over only: Is the Periodic Plan of Care Review approved by the supervising MD every 90 calendar days?	100%	100%	100%	100%	100%	100%	100%			100%
		1 Case	2 Cases	1 Case	4 Cases	1 Case	2 Cases	2 Cases			13 Cases
Review 218.100.07 7	If the Periodic Plan of Care Review is performed more frequently than 90 calendar days, is there documentation of significant acuity or change in clinical status to require an update? NOTE: Changes in diagnosis(es) by the psychiatrist should trigger an early review. All early reviews should be documented in a progress note.	100%	100%	100%	100%	100%	100%	50%			92%
		1 Case	2 Cases	1 Case	3 Cases	1 Case	2 Cases	2 Cases			12 Cases
Review 218.100.08 8	If the Periodic Plan of Care Review is performed more frequently than 90 calendar days, MD sign the updated plan within 14 days to indicate approval of the plan?	0%	50%	100%	75%	100%	50%	100%			69%
		1 Case	2 Cases	1 Case	4 Cases	1 Case	2 Cases	2 Cases			13 Cases
PDA 224.201.01 1	For U18, does the Psychiatric Diagnostic Assessment (PDA) include an interview of a parent (preferably both), guardian (including DCFS caseworker), and/or the primary caretaker (including foster parents)? Effective date for this regulation was May 1, 2008.	100%	100%	100%	50%	100%	100%	50%			77%
		1 Case	2 Cases	1 Case	4 Cases	1 Case	2 Cases	2 Cases			13 Cases
